Booking your holiday

You can book direct, online or via one of our agents.

- Step 1:** Select your cruising area and departure base
- Step 2:** Step 2: Use our anchor grading system to select a boat to match your budget and holiday expectations. Make sure the boat is large enough to suit your party size.
- Step 3:** Check the boat you have selected is available in your chosen cruising area; use the regional fleet tables (p.12-61) to see which boats are available on each route
- Step 4:** Check availability. Call our sales teams or check online. All our boats are priced on a 7-night basis but short breaks and longer stays are possible subject to availability
- Step 5:** Confirm your booking by paying a 35% deposit
- Step 6:** Use our online Cruising Companion, or purchase our maps/guides to help you plan your holiday

Don't forget to include Le Boat's holiday insurance if you do not already have cover. For one-way supplements and an approximate fuel cost for your boat type and cruising area, please ask the sales team or check online.

4. If you Change or cancel your booking

If, after our booking confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date, boat or destination, we will do our utmost to make these changes, but it may not always be possible. If you or any member of your party is unable to proceed with the holiday, you can transfer the booking to a substitute person, providing they satisfy all the conditions applicable to the original booking and your request is received by us at least 14 days prior to departure. Any request for changes to be made must be in writing signed by the Lead Name or your travel agent. The price of your holiday may increase or decrease to reflect the changes requested by you. Please check whether your holiday insurance will cover any changes or increased costs resulting from a change.

Should you request a major alteration within 10 weeks of departure date (such as a change of date or area) or if you want to amend your holiday departure date to a date not within the current year then this will be treated as a cancellation and re-booking.

You or any member of your party may cancel your travel arrangements at any time. Written notification (by post or email) from the Lead Name or your travel agent on your behalf must be received by our After Sales Team. Cancellation will be effective on the date which it is received by Le Boat.

Note: If the reasons for your cancellation are covered under the terms of your insurance policy, you may be able to reclaim these charges.

14 days and under (2 weeks or less)	100% of total holiday cost	

5. Cancellation - If we cancel or amend your holiday

The arrangements for holidays in this brochure are made many months in advance and it is sometimes inevitable that changes or cancellations may need to be made. We reserve the right to make such changes should they become necessary. Most of these changes will be minor and we will advise you of them at the earliest possible date. We also reserve the right in any circumstances to cancel your travel arrangements. Sometimes we may have to make a major change to your booking, this would include, but is not limited to, change of cruising area, change of departure date and change of boat to a lesser model. If we have to make a major change to your holiday (other than due to your default in payment) we will:

- Offer you an alternative holiday to the same or better standard (where available)
- Offer you a lesser holiday and a refund of the difference in price (where available); or
- Cancel your holiday and give you a full refund of all monies paid excluding any insurance premiums paid to us.

In all cases, except where the major change arises due to reasons of Force Majeure or due to insufficient bookings to operate a particular base we will pay compensation as detailed below:

Period before departure within which a major change is notified to you or your travel agent	Compensation per person
More than 70 days	Nil
43 - 70 days	€12
15 - 42 days	€25
14 days and under	€50

Force Majeure means unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised. Examples of Force Majeure are listed in clause 23.

We strongly recommend you provide us with an emergency contact telephone number in case of any unexpected changes that need to be made to your holiday at short notice.

6. Insurance

Le Boat has comprehensively insured the boat. The policy covers damage or loss to the boat and also no less than €7m third-party liability. This policy extends to cover any incident caused by the Hirer or the Hirer's crew. This policy is included in the cost of your holiday.

The policy in place has certain reasonable exclusions to cover as a result of certain actions by the Hirer or the Hirer's crew. These include wilful damages or gross negligence, persons being under the influence of drugs or alcohol or as a result of not obeying the instructions of a member of Le Boat staff. If the insurer fails to indemnify Le Boat because of the above then the Hirer is responsible for all costs. Adults will at all times be responsible for the minors in their care.

Le Boat insurance does not cover the Hirer's personal belongings. We strongly recommend that you take out our travel insurance - a summary of the insurance that we offer is listed on page 6 of the prices and information.

7. Damage Waiver

Insurers charge Le Boat an excess with every incident and also the cost of claims potentially forces up the premiums we pay. To encourage a duty of care from you, the Hirer, and to contribute to covering this costs we ask you to pay either:

Option 1: Non-refundable Collision Damage Waiver*

A charge of between €79- €195, depending on the type of boat, can be paid on arrival or at the time of booking. With this option, you are fully covered if the boat or any of its equipment or inventory is returned damaged or lost, or if there is any incidental damage to third parties.

* In certain instances we may insist on a deposit rather than the waiver.

Option 2: Refundable Damage Deposit

On arrival at the base, you will leave a refundable deposit of of between €1000 - €1,500 which will only be exercised if the boat or any of its equipment or inventory is returned damaged or lost or in the case of any accidental damage to third parties.

Please note the damage waiver options do not cover any acts of gross negligence, such as damage occurred if cruising outside the instruction given by Le Boat or rules of river navigation, cruising under the influence of alcohol or drugs, running aground or cruising single handed as stated in the conditions of hire.

8. Fuel Deposit

Before departing the base on board your cruiser, you will be required to leave a fuel deposit. This deposit is towards the cost of the fuel charges as described on page 2.

9. Embarkation/Disembarkation and Cruising Route

Boat embarkation time is from 16.00 - 20.00 (short breaks in Ireland is 14.00) on your start day and disembarkation must be by 09.00am on the return day. Available boats will be allocated to clients strictly on a rotational basis from the time a client arrives at the base and presents himself/herself for boarding. Le Boat shall not be liable for any loss or damages as result of any delay in boarding the boat due to circumstances beyond its reasonable control. A boat briefing and local cruising brief will be conducted before you depart the base. The Company reserves the right to make changes to the times/and or direction of the cruise. Minor changes will not entitle the Hirer to cancel with a refund or compensation.

10. Prices

The prices quoted in the brochure are based on costs, exchange rates, taxes and levies as known at August 2008

The price of your travel arrangements may be subject to surcharges for increases in:

- Transportation costs e.g. fuel,
- Dues, taxes or fees chargeable for services e.g. landing taxes
- where payments are made in non Euro currencies based on the following rates:

€ - £ : 1 / 1.30

€ - US \$: 1 / 0.63

€ - AUS \$: 1 / 0.60

Any benefits derived from decreases in these costs will be passed to you. In the case of any small variation, an amount equivalent to 2% of your travel arrangements, which excludes insurance premiums and any amendment charges, will be absorbed or retained. For larger variations this 2% will still be absorbed for increases but not retained from refunds. No price increases will be made within 30 days of departure.

In either case there will be an administration charge of €1 (or equivalent) per person together with an amount to cover any agents' commission. If this means that you have to pay an increase of more than 10% of the price of your travel arrangements you may cancel and receive a full refund minus any amendment charges.

11. Navigational Restrictions

Our brochure offers a number of cruising suggestions for each region based on our experience and knowledge of the area. At the start of your cruise, you will receive a Waterways Guide and/or detailed cruising notes for your region, clearly stating which waterways are navigable and which are prohibited or restricted. The base team will also advise on any specific routes, which are prohibited or restricted, or procedures falling under the control of the National Inland Waterways Authorities. Our guarantee does not cover cruising in areas that are prohibited or restricted. Please contact the sales team prior to departure if you wish to cruise on any waterways not covered in our brochure.

12. Accidents and Loss of Equipment

If the boat is involved in an accident of any nature, the Hirer must immediately contact the base and complete an accident report form supplied and ask any other party involved to complete the same form. The hirer will not ask for any repairs to be carried out without Le Boat prior agreement. Should any equipment be lost, stolen or broken, the Hirer must report this on return of the boat.

13. Bicycle Theft Waiver

You can insure your bicycle against theft for a charge of between €6 per bike per week and €10 per bike for two weeks. This can be booked and paid for on arrival at the start base.

With this option you will be fully covered if the bicycle is stolen.

14. Technical Assistance

Le Boat has a breakdown service during normal working hours every day of the week. We will endeavour to attend and repair a breakdown or technical incident as quickly as possible. The Hirer will have no claim against Le Boat for any failure caused by the hirer including but not limited to grounding, and in such instances the company will reserve the right to recover from the Hirer the expenses incurred in rectifying the matter.

15. Liability

Where you have booked a package holiday (as defined in the Package Travel, Package Holiday and Package Tours Regulations 1992) through Le Boat then we will accept responsibility for the proper performance of our obligations under this contract. We will perform such obligations with reasonable skill and care. We are not responsible for any failure that is attributable to you or a member of your party; attributable to a 3rd party unconnected with the provision of services to you and is unforeseeable and unavoidable; or due to Force Majeure.

Where your booking is not a package holiday we will only accept responsibility for our own negligent acts or omissions. Where the holiday services are to be provided by a independent carrier or other supplier of services for example without limitation a ferry operator, and where we are only acting as booking agent in the provision of these services then we undertake no responsibility for and are not liable for the misrepresentations, breaches of contract, breaches of statutory duty or negligence of the carrier or other supplier of services. This means that in the event of you suffering personal injury, illness or death as a result of any act or omission of a carrier or other supplier of services (or their employees) or you having any complaint about the quality of the services provided or having any other complaint at all, your sole right of redress will be against the independent carrier or other supplier of services who provided such service and Le Boat shall not be under any liability at all (whether in contract, tort or otherwise howsoever).

Our liability to you for any loss or damage which you may suffer is limited to three times the price of your holiday. This excludes personal injury resulting from the non-performance or improper performance of the services involved in the holiday, and is subject to the limitation of liability described below. Health and safety standards applicable to the services provided by us under this contract should meet the local standards applicable to your holiday destination.

16. Return of the Boat

The boat must be returned by 9.00am on your final day at the correct base. Late returns will incur a fee of €500. We expect the boat to be returned reasonably clean i.e. with all bedding stripped, all crockery and utensils cleaned and restored, floors swept, decks mopped and rubbish neatly bagged ready to go ashore. If the boat is left in an unsatisfactory condition, a cleaning fee of between €60 and €120 will apply dependent on the type of boat. (Refer to our pricing information for our cleaning service price).

17. Fuel Charges

In France, Belgium, Holland Italy and Germany, Le Boat charges the amount of hours the engine has been running. At the start of your cruise you will be informed of how much the per-hour charge will be and the current engine hours on your boat will be agreed and recorded with you.

In Ireland, England and Scotland, Le Boat charges fuel by the litre. At the start of your cruise the boat will be handed to you with a full tank of fuel and you will be informed by the staff member how much your fuel will cost per litre.

18. Your Security - Limitations on our liability

Our liability to you for any loss or damage which you may suffer is limited to three times the price of your holiday. Health and safety standards applicable to the services provided by us under this contract should meet the local standards applicable to your holiday destination.

The provisions of the Warsaw Convention 1929 (as amended) concerning the carriage of passengers and their luggage by air, and the airlines' conditions of carriage, may apply to you and your party during your flight and during boarding and disembarkation. These provisions and conditions may limit or exclude liability for death or personal injury, or loss of or damage to luggage, and may make special provisions for valuables. We will supply a copy of the conditions of carriage applicable to your flight, and of the Warsaw Convention, if you request them.

20. Sea and Rail Conditions of Carriage

When you book your travel with a carrier, the conditions of that carrier will apply, some of which limit liability. Clients should note carefully that such conditions include clauses limiting or excluding liability in respect of injury, loss or damage.

This brochure is issued on the sole responsibility of Le Boat. It is not issued on behalf of, and does not commit the carriers mentioned, or any carrier whose services are used in the course of the holiday.

21. Hirer's Suitability

The Hirers must accept responsibility for the proper conduct of him/herself and any members of their party. Le Boat cannot be held responsible for under age consumption of alcohol. We reserve the right to terminate without further notice the holiday arrangements of any client who refuses to comply with the instructions or orders of the company staff, its agent or other responsible person and whose behaviour in their opinion is likely to cause distress, damage or danger or annoyance to other customers, staff, any third party or to property. Upon such termination our responsibility for your holiday ceases and we shall not be liable for any extra costs incurred by you.
